

2019 Leadership Information

Hello, aspiring leaders!

Thank you for your interest in becoming a leader! Student leadership is one of the biggest factors in determining the success and atmosphere of a band. In short, YOU are the owners of the band and YOU have the power to make this the best experience possible!

Below are the four components of your leadership application.

1. **Google Form Application (due Monday, April 22nd)**
 - Complete the google form with *thoughtful* responses no later than **Monday, April 22nd**.

2. **Service Project (to be completed by April 30th)**
 - Propose and complete a service project that will benefit the members of our band. Ideas include the following:
 - Organizing music, percussion equipment, areas of the room
 - Cleaning the instrument storage room, loft, etc.
 - Anything else that would service the band!
 - Remember, the purpose of this is for YOU to think of a way that YOU can serve the band. If you just email me and say “I need an idea for a service project” then you are not providing a service to the band.

3. **Passion Project (due April 30th)**
 - Your goal is to create something that shows your passion for the band, demonstrate what band means to you and why we should select you to lead. Feel no pressure to do what your friends are doing! This should be authentic to YOU and showcase YOUR personality.
 - For some ideas, students have done the following projects: a Band Board Game, Twitch stream where they discussed leadership, posters, acts of kindness, and organizing a performance!

4. **Leadership Seminars (4/15, 4/17 2:45-3:30)**
 - You must attend both leadership seminars.
 - If you have a conflict with the dates and times, you are expected to rearrange them. If you are unable to reschedule your conflicts, please contact Mr. Doherty to receive an alternate assignment.

Good luck! I can't wait to meet with all of you for the leadership seminars and to work together to build a better band!
