- Thanks to volunteers. Proud of the students. 3rd time in history received a 1 in OMEA. We have 50 freshman this season who showed a great level of effort!
- Skull session 11/9 info will be sent on Thursday
- New uniforms need a committee to research our options. New/supplement/change style to less expensive options. Current uniforms are 8 years old and we will not have enough for next year. Need raincoats now-zippers replaced at one time.
- Upcoming -would like to participate in Bands of America competition. \$700/More expensive. Travel and overnight required. Better learning and feedback than OMEA. Other venue is Mid-States-better judging feedback.
- OMEA commentary incomplete, not quality, not useful evaluation.
