**President's Report**

Levy Discussion: we need to be mindful of the upcoming levy in November. Andy will get information from Dr. Stranges regarding the levy and how the Cadence Club can support and promote. We will need to continue fundraising but will need to be mindful of "earmarking" any funds raised to ensure we have future available funds.

**First VP Report**

In a holding pattern right now. Still waiting on the needs for field and pit crew from Andy D. Still unsure if Joe has measured internal dimensions of current trailer. Andy C. and Nathan were to make plans to try to get this done before the next Cadence Club meeting. Nathan will be posting needs for 4<sup>th</sup> of July parade (water walkers and popsicle parents) on Charms.

**2<sup>nd</sup> VP Report**

4<sup>th</sup> of July parade is back on in Delaware and the kids will march.

Greenswell and Kroger checks should be arriving soon.

Upcoming fundraisers:

6/21 BW night. See the Facebook post, must have flyer to participate. This is separate from the "Team G" rebate.

6/25 Mingo Man Triathlon. Help is needed for this race.

7/8 Car Wash at Ace Hardware 10-2. We need a parent to run this since Kim N. will be out of town. This person needs to bring supplies and to make sure kids sign in and get credit for working their shift.

7/17 McDonalds Night – need a few kids to help. No band needed for this one.

7/22 Car Wash at Ace Hardware

7/30 Iron Man race. We need help so we can make up to \$1000 on this race.

8/19 Tag Day

Potentials:

8/12 Food Truck Festival. We have the fairgrounds approval. Cadence Club to pay \$200 for janitorial services and restrooms. Permission is granted by their concessions team to keep all proceeds (typically a fee). Still trying to line up food trucks for this. Rowan Schmidt provided Andrew's contact info for the Schmidt's food truck.

11/19?? Possible pub crawl, details to come.

Talking about starting a competition between sections to get more student participation at fundraisers. Also considering a traveling trophy for the section that has the most attendance. Barb Kirk-Chapa is willing to donate and Tiffany Krause willing to add "bling."

### **Treasures Report**

Wrote two checks to Bluecoats for drum major camp \$200 each. Wrote several checks for senior music awards totaling about \$300. We still owe \$100 for the John Phillip Sousa award that was late in billing. We are still waiting on that total from Stacey Lemke as of this meeting.

Deposited summer uniform checks. Two checks from a parent that did not have the legal amount written on the check so Kym is trying to contact that parent but may have to wait and have Andy D. chase that down. Also received a check for all fees for a student (including the \$175 band fee that goes to DCS). Kym will deposit that check and write DCS a check for that student and give it to Andy D.. Also deposited the following: McDonalds \$285, BW \$46.55, Delaware Community Market \$20.88, and Bob Evans \$85.00. Kym also gave Kim N. voided check #1408.

### **New Business**

Barb Kirk-Chapa asked about varsity letters. They said that Beth C was in contact with the company used in the past and that Cadence Club will be taking over the responsibility going forward. They will be presented at the marching band end of season banquet. We will catch all students up November 2017.

DJ for the band camp dance is secured, the same man as last year. The photo booth is also returning.

### **Adjourn**
