Beth Cline, Secretary
Julie Ward, Dempsey Representative

Called to order at 7:01

Approval of Minutes

A motion was made by Kim Nocera to approve September 2017 meeting minutes. Seconded by Kym Waddell. APPROVED

President's Report

Andy C. thanked all the parents for the help that they are providing. However, we need 7 more adult drivers for Tag Day (10/7) and we also need more parents to help with the pit equipment at away games and competitions.

Andy C. asked Andy D. when the band banquet would be. It normally is the Tuesday after the season but that is Election Day and Cadence Club meeting night. It was decided to change the date of the Cadence Club meeting to Monday November 6th and the banquet date TBD.

First VP Report

There were a few equipment malfunctions this past weekend. The bus driver was to tell the garage about the broken trailer cable and get it fixed. Also, is the wheel choke fixed, the driver had run over it.

It was suggested that the pit crew be more organized. Suggestions where to have people set up the same equipment every time, or to put a note on the equipment where it is to be placed. It was suggested we directly approach parents and ask for their help instead of putting out generic pleas for help.

Nathan asked for a heads up on playing for kids at Solo & Ensemble since he is traveling for work a lot.

Dempsey Representative Report

Mr. Notestine will have a final number of Dempsey students attending Dempsey night by the end of the week.

The Dempsey band is progressing well with the newly arranged Armed Forces medley and will perform it 11/13 at the Veterans assembly.

The 6th graders are progressing well.

2nd VP Report

Kim reported that Cadence Club received almost \$1,000 in tips from the beer sales during fair week. We are still waiting to find out how much the band will receive for working the whole week.

Today flower brochures went home with the kids for the Foertmeyer holiday flower sales. They are due back 10/16 and will be delivered 12/9.

Tag Day will be 10/7

Chipotle will be 10/15

Freddy's Street Food will be 11/13

Pub Crawl will be 11/18

Melodies and Marinara will be 1/27

Donations for M&M are starting to come along. The next meeting for this committee is 10/15 at 2:00. Mr. D. said that boxes could be placed in the band room to collect donations and baskets.

Treasures Report

The band balance is \$35,107.24 minus \$7,900 spent on the Ireland Trip deposit. Checks written were for Krispy Kreme, Leadership Camp, Accounting software, and contest fees.

Krispy Kreme sales were bad at the last home game, we only made \$48.00 and gave away several dozen donuts. Kym is keeping detailed records on sales for future sales.

Kym is keeping separate accounting for the Ireland trip money.

Kym gave a letter to Andy C. from the Treasurer of the school levy committee asking for a physical address. Andy C. will give him his address.

Directors Report

Season is going well. The band will be performing at Dublin Jerome this Friday. The next contest is at Nelsonville on 10/21. There is no power at that stadium so a generator will be needed. The band will perform their show after the Homecoming/Dempsey Night football game. We anticipate about 60 Dempsey kids to participate Dempsey night.

Spirit Committee Report

Spirit Committee will set up a table for Homecoming/Dempsey football (10/13) night behind the stands with spirit wear and cookies for sale

New Business

No new business

Adjourn

A motion was made by Nathan Booth at 7:45 to adjourn the meeting. Seconded by Tiffany Kraus.

APPROVED

Beth Cline
Secretary, Cadence Club
