

# 5/21 Tuesday Sheet

## From the Director...

Saturday will be our final performance of the 2012-2013 school year. I would just like to take a moment and thank you for all of the support over the year. It has truly been an incredible marching and concert season. We could not be more excited for our final performance of this year, AND to get started rehearsing for next year! Enjoy your month off, we are going to hit to ground running!

## 5/25 Graduation

9:30 | Call Time

10:00 Graduation begins

12:00 | Graduation ends

### **DRESS**

For this performance we will NOT wear our concert wear. This is an outdoor event, so please dress in light clothes! For men, please wear nice dress pants, (khakis, chinos, or dress slacks are fine, NO JEANS) and a nice shirt (short or long sleeve) with a collar and no writing on it. For women, please wear dress pants or a knee length skirt with a dress blouse. Sun dresses are acceptable as long as they are knee length. Remember, dress is part of your grade! Your grade will be affected if you do not adhere to the guidelines above. Don't forget to bring sunscreen! It is a long time in the sun and for many of us, our first long exposure of the year. Please be prepared for the weather!

### **BEHAVIOR**

Obviously graduation is a long event and we are in the public eye for all of it. Students are expected to behave appropriately for the duration of the ceremony. DISCREET cell phone use is allowed during the ceremony, however, the band staff reserves the right to revoke this privilege. Again, behavior is part of the grade for the performance, so act accordingly.
